United States District Judge

Attn: Senior Judge Maurice B. Cohill Jr.,

I am sending you this letter in reference to civil action No. 04-55-E. I currently can not afford legal counsel to represent me, in my defense. The Boat Store has been closed for about 2 years. I have claimed personal bankruptcy, and have claimed Thomas Mertz and Donzi Marine, as listed on the attached sheets. I am currently unemployed because I lost my job in January of 2007, due to a heart attack in December of 2006. I do not know what I can do about this matter because at this time I am under great duress.

Sincerely,

Gregory M. Szczesny
